**hello,**

We love plants and we love a good design.

We are excited to bring our two passions to your special occasion with our new division, Larch Decor. We specialize in decoration, detailing, and whatever it takes to make your event look better, greener.

**Larch Decor,**

from the team behind Larch Studio.

decoration projects

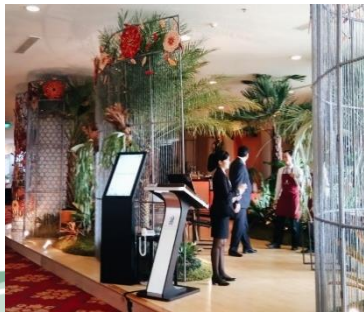

## The Greenhouse

Venue:  
Ritz Carlton Ballrom

In collaboration with:  
Viro Build, Kezia Karin Studio

In this pop up restaurant in Art Jakarta 2018, unique palm trees, moss hills, colorful bromeliads to match the woven rattan elements and a one of a kind woven rattan sofa integrated with potted tree brought the Greenhouse theme to life.

## Pasir Angin

**Venue:**  
**Pasir Angin, Ciawi.**

For a peaceful sunset dinner in a forest setting, we brought dried roses and pine trees to complete the uniquely designed lantern.

## Liztomania vol. 4: Barasudara

**Venue:**  
Jakarta Art Building, Jakarta Pusat

For Barasudara's concert titled "Guna Manusia" held by Liztomania, leafless trees and moss base added a dramatic effect on stage.

## Raisa "Kembali" Concert

**Venue:**  
Studio Palem, Kemang

We provided fresh roses, pines  
and a touch of dried leaves and  
grasses as an accent to a  
beautiful performance by  
Indonesia's beloved singer

## Seedlings of The Islands

**Event: Casa 2018, Designers showcase**

**Venue: Ritz Carlton Ballroom**

As one of ten designers in Indonesia to showcase art in our area of expertise, we transformed our 4 x 4 booth to a lush garden with collected seedlings from the 34 provinces of Indonesia, displayed on a levitating, rotating pot, bringing a fresh air for the visitors to experience.

## Pipiltin Ransiki Launching

**Venue:**  
Palalada,  
Alun Alun Indonesia,  
Grand Indonesia

Big, uniquely shaped leaves are the main elements to create this concept, inspired by jungles of West Papua, home of this newly launched chocolate by Pipiltin.

## MRA End Year Lunch

**Venue:**  
Branche, Senopati

To celebrate welcoming a new year, we brought a pop of color to the usual greens with a playful combination of moss and flowers for table runners and hopeful words hanging from our trees.

## Everything In Between

**Venue:**  
Kopi Kalyan Barito,  
Jakarta Selatan

The corners of this photo exhibition was decorated with various objects from the journey and some greeneries to amplify the feeling of the great outdoors

## Make Your Own Story

**Event:**  
Lazwofest 2018

**Venue:**  
Senayan City Parking Lot

The installation was designed to be playfully ambiguous so anybody can use their imagination to create a story

## iD Magazine Anniversary

**Venue:**  
**Four Seasons Hotel**

Moss, driftwood, succulents with a surprise element of amarantus became a dramatic background for the showcased objects.

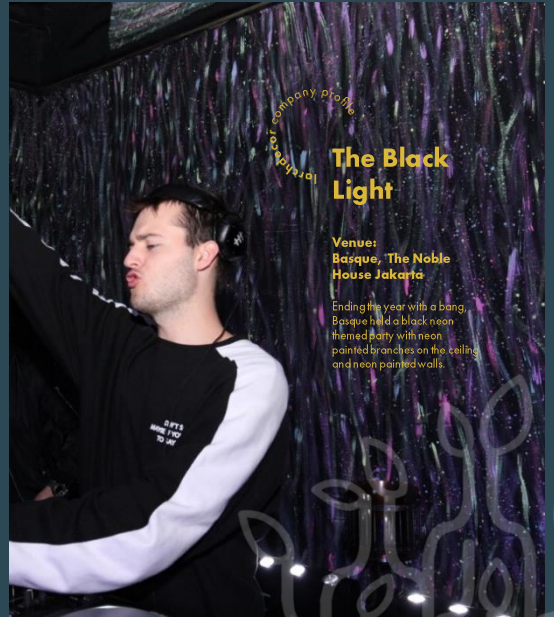

## Prodotti

Venue:  
**Casa Domaine,  
Tanah Abang**

Green moss and succulents  
accentuate the luxurious  
furnitures from Prodotti

## The Black Light

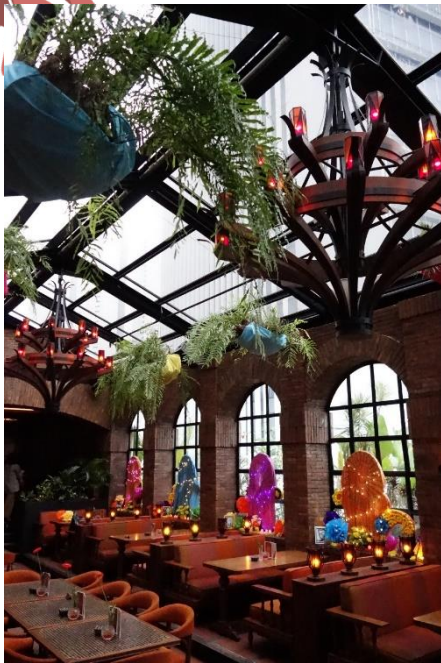

**Venue:**  
Basque, The Noble House Jakarta

Ending the year with a bang, Basque held a black neon themed party with neon painted branches on the ceiling and neon painted walls.

# Day of The Dead 2017

**Venue:**  
Basque, The Noble House Jakarta

For Halloween 2017, we created a colorful decoration for every corner of the restaurant

## Day of The Dead 2018

**Venue:**  
**Basque, The Noble House Jakarta**

For Halloween 2018, we made an altar from the orange marigold flowers from the Mexican holiday

orchestra company profile

## Lapalooza

**Venue:**  
Basque, The Noble House  
Jakarta

For Basque's anniversary, a stage dome with moving LED light and lasers changes the classic interior into a futuristic space.

## Aloha Kon Tiki

**Venue:**  
Basque, The Noble  
House Jakarta

Using bamboo stalls, palm  
leaves and coconuts, we  
created a beach vibe  
within the venue.

## 707 Store

**Location:**  
Pondok Indah Mall  
2, Jakarta Selatan.

We used dried flowers  
and leaves for the display  
of this store.

## Social Affair MKG

Location: Mall Kelapa  
Gading, Jakarta Utara.

For this restaurant, dried plants filled the assorted pots, planters, and was made into a hanging focal point above the seatings.

## Osteria Gia

**Location:**  
Pacific Place, Jakarta  
Selatan

Plants on various shaped planters with assorted materials was arranged between the objects to give the restaurant a feeling of home.

## Rosie

**Location:**  
Senopati, Jakarta  
Selatan

A frame with artificial plants was crafted for this quaint cafe. A shelving corner with greens between decoration also became a focal point.
